## Car Show Classification Specifications

**Stock: No more than three non-factory changes or add-ons allowed. No Exceptions. Absolutely no body, engine or drive train changes.**

### **Modified Cars & Street Rods:**

Includes four or more non-factory changes or add-ons in the following list: engine swaps, headers, chrome, stainless, aluminum, after market engine parts, electrical and ignition systems, paint, interior, wheels, oversize tires, mild suspension mods, hosebraiding, exhaust, induction systems, custom or excessive detailing. Does not include trucks. Includes drags, race, pro street, and custom cars and all street and show cars with any one of the following: body and hood changes (including shaved body parts), blowers, turbo and super chargers, tunnel rams, nitrous, tubbed and narrowed rears, radical suspension mods, roll cages, fuel cells, non-factory paint (including mystic, flames, scallops and graphics).

**Modified Trucks:** Includes four or more non-factory changes or add-ons in the following list: engine swaps, headers, chrome, stainless, aluminum, after market engine parts, electrical and ignition systems, paint, interior, wheels, oversize tires, mild suspension mods, hosebraiding, exhaust, induction systems, custom or excessive detailing. All trucks that do not qualify as stock will be considered modified.

**El Caminos and Rancheros:** El Caminos and Rancheros will be considered “cars”. Will be entered in Stock Class or Modified Class based on the rules of those classes.

Show cars must have Fire Extinguisher.

**CLUB AWARD =** There will be an award for the Club with the most cars at the show. Be sure to put your club affiliation on the application.

More Sponsorship and Vendor Opportunities are Available. Call Jody for info at 563-1000
