**2 Women and Wealth: Owning your Financial Future!**

Women account for nearly half of the workforce, hold the majority of management, professional and related positions and account for 70% of all purchases annually. Take control of your financial future and start thinking about your financial future. This session will provide you with the tools to begin planning or rev up your existing wealth plan! **Presented by: Margaret Preston and Stacy Putnam - TD Wealth**

**SOLD OUT**

**3 Self Defense - Don't Be A Victim**

We are lucky to live in a safe community, but it never hurts to know how to stay away from a bad situation. Discover what you can do to avoid looking like a target and becoming a victim. Learn why you should trust your instincts and how to escape from a potential attack. This session requires no special clothing, and you won't be working up a sweat, so attend as you are. **Presented by: Stephen Galletta - JS Fit**

10:15 - 11:00

**4 The Pivot: Navigating a Career Shift**

Worried you might not have the right skills or experience to take your career to the next level? This session is designed to help navigate a promotion or career shift, highlighting the transferable skills you already have, and ensuring you don't sell yourself short. *Featuring real career shift stories from community members.* **Presented by: Deborah Cleary - ETS**

**5 Killing Complexity**

Organizations and individuals can be dragged down by complexity. This session will focus on creating a clean sheet approach to complexity, including focusing on the joy of killing a stupid rule. **Presented by: Jacqueline Kelleher - Stafford, Owens, Piller, Murnane, Kelleher, & Trombley PLLC**

**SOLD OUT**

11:15 - 12:00  
Choose one

**6 Demystifying the Dark Web**

The Dark Web is home to many kinds of illegal activity, but some threaten your privacy more than others. Take a dive into the Dark Web and learn how some of these illegal markets pose risk to you and your organization, how to uncover data that is for sale and how to recover from such an invasion. **Presented by: Devi Momot - Twinstat Technologies**

**7 Speaking Up - Leading to Change and Changing to Lead**

One of the hardest parts about being a leader is navigating the waters of change. Understanding how to speak up and speak out is a critical skill. Learn how to be a creative disruptor and use your voice as an effective tool to influence and improve personal success. **Presented by: Betsy Vicencio, Deena McCullough, Michelle LeBeau, Rowena Ortiz-Walters and Molly Ryan**

**SOLD OUT**

12:30 - 1:30

**Celebration of Women in Business Luncheon**

The Luncheon is **open to everyone - men and women** - who want to celebrate the amazing women at work in the North Country. Featuring **Keynote Speaker: Tamara Morytko, COO Norsk Titanium**. Tamara has served in several Executive appointments across the Aerospace and Oil and Gas industries, working for Baker Hughes and Pratt & Whitney. As the new COO of Norsk Titanium, she will be leading a team of entrepreneurs and scientists from Norway to New York. Ms. Morytko has built her reputation as a results-driven leader focusing on operational excellence, talent development and market growth.
