

Sharon Van Auken Bio

Sharon is a Business Advisor with CITEC Business Solutions, specializing in Human Resources consulting and leadership and soft skills training. Her professional experience includes serving as a Director of Human Resources, corporate trainer, instructional designer, and technical editor. In addition to her work for CITEC's clients in manufacturing, she has also worked directly in Financial Services, Energy Research, Hospitality and Tourism, and Higher Education. Sharon is passionate about assisting businesses across the North Country region with leadership and soft skills training, as well as documentation, compliance, and strategic HR planning.
